Bob Bays, Chairman

Harold Vaux Jim Donaldson

Rod Western

City of Union, IA

The Mayor Monument Committee has been formed to erect a display of past Mayors for the City of Union. The display will be a brick structure with marble sheets inlaid, the past Mayor names on two sides of the structure, and a plain marble sheet for future names. The display will have the red ball that was on the old red top water tower on top of the monument placed in Kauffman Park in Union. Any input is greatly appreciated to any committee member. This monument will cost approximately \$8000. Therefore, donations from interested parties are needed. If you would like to be a part of this progressive project, please take time to help us make this happen. Any donations are tax deductible and you will receive a receipt of appreciation from the Committee for tax purposes.

You can stop by City Hall or mail your donation to City of Union Monument Project PO Box 227, Union Iowa 50258. Please note "Monument Project" on your check. You can also stop by Hardin County Savings Bank to donate to the Monument Project. The success of this project depends on all the wonderful and generous people who call Union, Iowa "my home town"! Sincerely, Bob Bays,

Chairman, Monument Committee
